10. Mr. Zagorski in the Liaison Office of the State Department (ext. 2304) called in connection with the letter State had received from Congressman Joseph W. Barr (D., Ind.) requesting information for a constituent on FBIS. (See Journal of 3 April) Zagorski was not aware of our conversations with Mr. Black on this letter. He asked if we would make some suggestions as to how they should respond to the FBIS questions in the letter. Suggested language was given Zagorski, and he will clear his reply through this office.
